Hi Mosen,

It was nice to meet you and I look forward to next week to present more detailed information. As a followup from yesterday, here is the email exchange between EPA and Jane regarding Exide. If I hear back from her, I will be sure to share that with you as well.

In addition, you asked who in the DTSC office our Brownfields staff works the most closely with, it is Peter Garcia and Jennifer Black from the Cypress office.

Have a nice weekend and go Bruins!

Thank you,

Hi Jane,

Matt passed on your note to me. I am unaware of the request to expand the area of investigation at Exide past the 1.7 miles. Can you provide further clarification? Feel free to give me a call as well.

Hope all is well.

Thank you,

Mindy Cherng Clements

Matt,

Greetings! Hope you had a Happy Halloween!

I am just checking in on our request to expand the area of investigation at Exide past the 1.7 miles. I will send you the map that Dr. Wells did for us on this topic.

Hope you are well.

Cordially,
